

DigiKey

How to log in

Step 1: Log in with www.digikey.com/pay

Step 2: Enter Username and password you registered with.

The image shows a screenshot of the DigiKey login page. At the top, the DigiKey logo is displayed in red. Below it, the word "Login" is centered. Underneath, there is a section labeled "USERNAME" with a text input field containing the placeholder text "Email / Username". Below the input field is a red button labeled "Next". A horizontal line separates this section from the registration section below. The registration section starts with the text "Don't have an account?" followed by a red button labeled "Register Now". At the bottom of the page, there is a small copyright notice: "Copyright © 1995-2025, DigiKey".

Step 3: Click on the “Bill Management” tile.

From this tile you can make and view transactions, download a transaction, or make a payment.
