

Digi-Key Electronics is an authorized distributor of Edac products and is franchised to sell Edac products worldwide. Edac's relationship with Digi-Key allows for the stocking of Edac products at Digi-Key's Minnesota facility, for resale and shipment to our mutual customers worldwide. Digi-Key is a valued Edac distributor, and is listed on the Edac website. Our web site located at www.edac.net will reflect Digi-Key inventory where available under the "Stock Check" program.
